

LOGLIFE PRE-MIXED 50/50 EXTENDED LIFE ANTIFREEZE & COOLANT

AVAILABLE IN:

1 Gal, 55 Gal Drum

MFA Oil Longlife Pre-Mixed 50/50 Extended Life Antifreeze & Coolant provides maximum protection against damaging rust and corrosion, whether you drive an American, Asian or European vehicle. This product is backed by a 5-year/150,000-mile guarantee, with a complete cooling system flush and fill and is compatible with all coolant technologies.

Whether you drive a new GM or Ford Vehicle, or an old Honda or Volkswagen, MFA Oil Longlife Pre-Mixed 50/50 Extended Life Antifreeze & Coolant's patented technology is the one solution for all applications.

- Top off any cooling system with confidence
- Unique amber color will not change the color of the existing antifreeze
- When used at top-off, no more "brown" antifreeze
- Meets ASTM D-3306, ASTM D-4985, ASTM D-6210
