

Bucky's Best BAR & CHAIN OIL

MFA Oil Bucky's Best Bar & Chain Oil is specially formulated with the finest quality base oils and additives to provide superior protection and performance for all chainsaws and other chain-driven equipment.

- Prevents bar and chain wear
- Protects against wear at low temperatures
- Contains tackiness agent to help keep oil on chain even at high-temperature, high-speed operations

Bucky's Best BAR & CHAIN OIL

Typical Characteristics

PRODUCT	Bar & Chain
API Gravity	31.14
Specific Gravity @ 60°F	0.87
Viscosity cSt @ 40°C	96
Viscosity cSt @ 100°C	11
Viscosity Index	99
Pour Point °C (°F)	-45 (-49)
ASTM Color	6

Available In:

1 Gal, Bulk*
